Subject: Wolf Park Homeowners' Association Update

Here is an update on items addressed by the Wolf Park Homeowners' Association:

1. A meeting was held with Mr. Moroni, attorney at law, to discuss delinquent membership dues. The following board members were present at the meeting: Tony Martino, Frank Nosal, Darwin Dalzell, Roger Parson, and Dave Ackerman. It was suggested by Mr. Moroni that we send certified letters to the people who are delinquent with membership dues. This was done on May 17, with a ten day response time. If no response has been met, then the matter will be turned over to Mr. Moroni for further action.
2. Repair work on the ravine west of Savage Loop has been completed. Payment for work will be from membership dues.
3. For those not attending meeting our last annual meeting, we now have a web site for you to look at. <http://www.wphaonline.com/>. If any questions please contact Jim Rife, phone number in directory.
4. New approving authority for fences, garages, or any out building or additions to present homes is now Bob Simonton, phone number in directory. Prior to any project please contact Bob first.

From your homeowner's association board, have a nice summer and be safe.
